## JUNE 20, 2021

## TWELFTH SUNDAY IN ORDINARY TIME

## A NOTE FROM FR. LARRY

PLEASE NOTE CONCERNING THE 2021 ANNUAL CATHOLIC APPEAL (ACA): Elsewhere in this bulletin, you will see a chart showing that 2021 ACA donations are still about \$30,000 less than where we were in last year's Appeal. That very large difference has a significant impact on parish finances. The Diocese sent out a reminder letter, with a pledge card and return envelope, to everyone who donated in 2020 but has not made a pledge this year. If you have not yet made a pledge to the 2021 ACA, please do so now if you are able to. As always, thank you and God bless you for your generosity.

Sunday Mass attendance continues to increase and, hopefully, the just-announced successes in New York vaccination rates will help that positive trend continue. Diocesan protocols still make mask wearing mandatory for those not fully vaccinated, all based on the honor system. We will advise you of any changes. Please attend Mass in person if you are able to do so.

On June 13, 2021, I had the privilege of baptizing Andrew Izzo. We congratulate and ask for all of God's blessings on Andrew, his parents, grandparents and loved ones.

June 12/13 was the weekend for Cub-O-Rama, an event each year during which the Cub Scouts of Holy Name's Cub Pack 237 have a day of activities in Our Lady's Field. Cub-O-Rama includes a Saturday evening Camp Fire/Awards Ceremony, and an overnight campout in the field after which many of the scouts and their leaders attend the 7:30 a.m. Sunday morning Mass at Holy Name. I was able to offer a blessing at the campfire and preside at the Mass. This gave me two opportunities to once again recognize the adult Scout leaders who give so much time throughout the year to make Scouting possible here in Holy Name Parish.

Our 2020/2021 Parish Religious Education program year has come to a close. Once again, I want to recognize and thank our Coordinator of Religious Education, Kathryn Sisto, and our catechists for their dedication—especially throughout this past COVID year!—in teaching our public school and non-Catholic private school students about our faith and preparing them to receive the Sacraments.

This Friday, June 18, was Graduation Day for the 8<sup>th</sup> Grade Students in our aligned St. Joseph the Worker Catholic Academy. We congratulate them and are proud to list their names in this bulletin. We also congratulate and thank the prin-

## A NOTE FROM FR. LARRY (Continued from front page)

cial, faculty, staff and our graduates' parents and families for all that they have done to bring this fine group of graduates to this important milestone in their young lives.

This Sunday, June 20, is Father's Day and we will have a special blessing at each of the Masses. Happy Father's Day to all fathers, grandfathers, godfathers, uncles and all those men who assist in the role of father in our children's lives.

The U.S. Conference of Catholic Bishops has designated June 22 through June 29 as Religious Freedom Week. It is a week that includes the memorials and solemnities of several martyrs: Saints Thomas More, John Fisher, John the Baptist, Iranaeus, Peter and Paul. With those martyrs in mind, the USCCB reminds us that "religious freedom allows the Church, and all religious communities, to live out their faith in public and to serve the good of all". This is a week when all "Catholics are invited to pray, reflect and act to promote religious freedom".

### GOSPEL MEDITATION

*This Sunday's readings: [Reading I: Job 38:1, 8-11](#); [Reading II: 2 Corinthians 5:14-17](#); [Gospel: Mark 4:35-41](#)*

As we look at our lives and world events, do we ever find ourselves wondering if God is sleeping? After all, maybe God's patient, unconditional love has run its course and He is finally fed up with humanity's reluctance to accept the truth about who we are. God really can't be that patient! All throughout human history, many have prayed to God for intervention or for particular needs. Because their prayers were not answered in the way they wanted or anticipated, they felt that God may have abandoned them. Were they right? It seems that we are continuing, at a rapid rate, down a path of destruction. Do you not care, God, that we may be perishing? When the boats of our lives are rocking and the seas tumultuous, we want to know that we have God's attention. Even more so, we want God's intervention.

Maybe the storms and the waves are necessary. If we listen, they can teach us valuable lessons. Without them, we would never learn that we have the strength to endure, understand the uselessness of fear and worry, or develop the ability to really trust. If God immediately rushed in and simply calmed things down before they got difficult, what good would that really be? We would miss opportunities to learn how to drink more deeply of life, treasure its complexity, irony, and beauty and fully engage ourselves in surrendering to the love of our Creator. It is easy to walk on the surface of life without immersing ourselves in its messiness. Life has to burn its way through us in order to bring us to a place of secure trust. It's unfortunate that some prefer a shallower journey.

That's the balancing act that comes with faith. It is not God's job to prevent us from encountering the torrential rains and winds of life. Many believe that if faith is done the right way, that God will provide for smooth sailing. That's not how it works. God permits us to ride out the difficult stuff knowing that the storm will eventually be calmed. Do we not have faith that God will do this? True faith trusts in the steadfastness of God's love when the seas are calm and when they are choppy. God's unconditional loving presence shines through all of it and endures forever. Knowing this allows us to put our boats out into uncharted waters without hesitation. Knowing that we prefer the comfort and safety of what we know to be still waters, how do we feel when Jesus says, "Let us cross to the other side"? © LPi

## FATHER'S DAY - JUNE 20, 2021

### Heal the human family

Fathers are an unpredictable lot. Some are lovingly remembered as protective and dependable captains who sailed their families to calmer waters through every domestic storm. Others may be lamented as the source of many a squall themselves. We pray this day for both kinds of fathers: those who stayed and those who abandoned ship, the faithful and the faithless, the tender and the tyrant. The church teaches that our world can't be whole until our families are healed. This Father's Day, we pray especially for those who volunteer as benevolent father figures for children in need of one.
