A NOTE FROM FR LARRY

Sunday, January 22, is the 50th Anniversary of the U.S. Supreme Court's pro-abortion decision in the case of *Roe v. Wade*. As i mentioned here last week, Roe was over-ruled in *Dobbs v. Jackson Women's Health Organization* last June, but the Dobbs ruling allows individual states to make their own laws on abortion. Obviously, there is still much work to do. In Catholic Dioceses across the United States, January 22 continues to be a Day of Prayer for the Legal Protection of Unborn Children. Beginning at 3 p.m. on January 22, we will have a Holy Hour for Life here in HNJ Church. (There is additional information at right.) Please join us, if you can, either in Church, or via livestream, to pray for the unborn and the dignity of all human life.

Please see my letter concerning Parish Stewardship which appears on pages 5 and 6 of this bulletin.

Looking More Closely at the Word

Sunday's Readings:

Isaiah 8:23—9:3; 1 Corinthians 1:10-13, 17; Matthew 4:12-23

The message of Jesus is simple. It can be boiled down to two sentences. "The Kingdom of God is at hand. Repent and believe in the good news."

LIVING THE GOOD NEWS

by Bro. Silas Henderson, SDS

In this Sunday's gospel, Jesus appears in Galilee for the first time preaching the good news. At the Lake of Tiberias, he calls simple fishermen who drop everything to follow him. Their immediate and wholehearted response teaches us what it means to repent and believe in the good news. It means encountering the person of Jesus, following him and leaving everything behind.

Believing in the good news means having an encounter with Jesus Christ. The apostles didn't leave their families, homes, and jobs because they believed in an ideal. Rather it was coming face-to-face with Jesus that moved them. Meeting Jesus changed everything for them.

We cannot have the same face-to-face encounter with Jesus that the apostles enjoyed. But we are still able to meet the Risen Lord when we read the Bible, receive the Sacraments, and serve our sisters and brothers who are his living body. We are not on fire for our faith because we like to follow rules. Rather it is because we have met and fallen in love with Jesus Christ. This personal relationship with him that we have through faith and the ministry of the Church drives everything that we are about.

Believing in the good news also means that we must follow him. Our life of faith can be understood as a journey with Jesus leading the way. It means that, like the apostles, we have to give up our own plans and put our trust in God and His plan for us. It is not easy because very often the road is steep and the pathway rocky. We will not always see where it is headed, and we will stumble frequently along the way. We will see our friends walking a different way that seems easier, and we will be tempted to join them. But God will give us the strength and the courage to follow Him. And we will be blessed with joy because we are with Jesus.

Finally, believing in the good news means leaving everything behind. The apostles could not follow Jesus and stay fishermen. We cannot follow Jesus and continue to live the same way we did before. When we choose to follow Jesus, some things will have to stay behind. We may have to end friendships because they lead us to bad behavior. We may have to change our business practices because they are deceitful. We will all be called to live simpler lives so that we will have more left over to give to the poor. Some will even be called to sell everything and to give their lives totally over to Jesus in religious life. For all of us, gaining Jesus will mean the loss of something or someone we love. It was that way for the apostles, and it continues to be that way for us. There is no other way if we are to put our lives in the hands of our loving Father.

The Kingdom of God is among us. The Risen Lord is present in our midst. His presence soothes our fears. His words touch and heal our hearts. His Sacraments nourish and strengthen us. We meet him in one another, and we fall in love with the one who died for us. We gladly leave everything behind to follow after the one our heart longs for. Despite the difficulties, we know that it is the path of life. We walk with ever growing strength because we have met Jesus and our lives can never be the same.

SUNDAY OF THE WORD OF GOD

In his 2020 Apostolic Letter *Aperuit Illis*, Pope Francis declared that each year, the Third Sunday in Ordinary Time would also be the "Sunday of the Word of God". In that Letter, the Pope explained that "devoting a specific Sunday of the liturgical year to the word of God can enable the Church to experience anew how the risen Lord opens up for us the treasury of His word and enables us to proclaim its unfathomable riches before the world." In his Letter the Pope drew from the Old Testament Book of the Prophet Nehemiah. In this reading, the Book of the Law is being read out loud to the Jewish people who had recently returned from exile in Babylon. Pope Francis comments upon this scene as follows:

"The people lent "attentive ears" (Neh 8:3) to the reading of the sacred book, realizing that in its words they would discover the meaning of their lived experience. The reaction to the proclamation was one of great emotion and tears ... ; and Nehemiah, who was the governor, and Ezra the priest and scribe, and the Levites who taught the people said to all the people, 'This day is holy to the Lord your God; do not mourn or weep'." (Neh 8:8-10).

These words contain a great teaching. The Bible cannot be just the heritage of some, much less a collection of books for the benefit of a privileged few. .... The Bible is the book of the Lord's people, who, in listening to it, move from dispersion and division towards unity. The word of God unites believers and makes them one people."

Please make greater attentiveness to the "Word of God", to Scripture (beginning with the Sunday Readings), a goal for 2023.

Pastor's Letter Concerning Parish Stewardship: Time, Talents, Treasure

Dear Parishioners of HNJ Parish,

My Pastor's Report for the 2021/2022 Parish Fiscal Year was included in our Bulletin for December 4, 2022. Near the end of that report, I indicated that I would be communicating with you in January of 2023 about the Brooklyn Diocese's ongoing Stewardship Program, which is the subject of this letter.

Stated briefly, Catholic Stewardship involves the proper care and use of God's gifts to us to help us fulfill our responsibilities as Catholic followers of Jesus Christ. Stewardship is often discussed in the context of our use of God's gifts of time, talents and treasure. The Stewardship program is essentially an effort to ask parishioners to use their God-given gifts to provide more help to their parishes. This is especially important now as we continue to struggle to recover from the lingering effects of the Pandemic.

Concerning time: We are all well-aware of the increasing demands on our time to meet family and work responsibilities. However, as we begin 2023, can we ask ourselves: *Could we all benefit by devoting more time to improving our relationship with Jesus Christ, His sacraments, His Church? Could we be more faithful to attending Mass (including worthy reception of the Eucharist), especially on Sundays and possibly more frequently on weekdays? Could we devote more time to prayer, especially prayer before the Eucharist during this time of Eucharistic Revival?* Average Sunday Mass attendance remains at barely 300, as opposed to nearly 600 before the Pandemic. We need to increase in-person attendance at Sunday Mass.

Concerning talents: Could there be increased volunteer participation in our many parish ministries (again recognizing the realities of busy lives)? We can use your help. Ministries and activities such as Extraordinary Minister of Holy Communion, Lector, Religious Education Catechist/Assistant Catechist, Environmental Committee (Church cleaning and decorating), Food Pantry, English and Spanish choirs, Youth Programs (Fathers Guild Sports, Scouting), etc., have all lost volunteers in recent years. The time commitments are variable and take into account personal schedules. Please contact the Parish Office so that we can provide you with additional information.

Concerning treasure: For most of the Pandemic months and years, our parish weekly collections were only moderately reduced despite the decline in Mass attendance. Online giving via Faith Direct and generous use of the "Catch Up" envelopes were big helps. Unfortunately, this situation is changing. In recent months we have been experiencing larger, more persistent decreases in our First and Second weekend Mass collections, the results of which are reported in the weekly bulletin. From September of 2021 through November of 2022, the number of parishioners using Faith Direct declined significantly from 112 to 97. As those familiar with parish finances know well, the weekly collections are our main funding sources for our operating expenses (salaries and benefits, utilities, ordinary repairs and maintenance, etc.). Several of the larger donors who helped us so faithfully for years are no longer with us. We understand how difficult individual circumstances can be; but, if you can, please try to meet our suggested weekly donation goal of $25 ($20 First Collection, $5 Second Collection). Use of Faith Direct or Parish Envelopes would be a big plus.

Thank you for your faith, your generosity and your support of HNJ Parish and me. Please help keep our wonderful parish a vibrant Catholic center for sharing the Good News of the Gospel of Jesus Christ.

Sincerely,

Fr. Larry Ryan

Carta Del Párroco Sobre La Corresponsabilidad Parroquial: Tiempo, Talentos, Tesoro

Estimados feligreses de la parroquia HNJ,

El Informe de mi párroco para el año fiscal parroquial 2021/2022 se incluyó en nuestro Boletín del 4 de diciembre de 2022. Cerca del final de ese informe, indiqué que me comunicaría con usted en enero de 2023 sobre el Programa de mayordomía en curso de la Diócesis de Brooklyn, que es el tema de esta carta.

Dicho brevemente, la corresponsabilidad católica implica el cuidado y uso apropiado de los dones de Dios para ayudarnos a cumplir con nuestras responsabilidades como seguidores católicos de Jesucristo. La mayordomía se discute a menudo en el contexto de nuestro uso de los dones de tiempo, talentos y tesoros de Dios. El programa de Corresponsabilidad es esencialmente un esfuerzo para pedir a los feligreses que usen los dones que Dios les ha dado para brindar más ayuda a sus parroquias. Esto es especialmente importante ahora que continuamos luchando para recuperarnos de los efectos persistentes de la pandemia.

En cuanto al tiempo: Todos somos conscientes de la creciente demanda de nuestro tiempo para cumplir con las responsabilidades familiares y laborales. Sin embargo, al comenzar el 2023, podemos preguntarnos: ¿Podríamos todos beneficiarnos al dedicar más tiempo a mejorar nuestra relación con Jesucristo, Sus sacramentos, Su Iglesia? ¿Podríamos ser más fieles en asistir a Misa (incluida la recepción digna de la Eucaristía), especialmente los domingos y posiblemente con más frecuencia entre semana? ¿Podríamos dedicar más tiempo a la oración, especialmente a la oración ante la Eucaristía durante este tiempo de Renacimiento Eucarístico? El promedio de asistencia a misa dominical se mantiene en apenas 300, frente a los casi 600 antes de la pandemia. Necesitamos aumentar la asistencia en persona a la misa dominical.

Con respecto a los talentos: ¿Podría haber una mayor participación de voluntarios en nuestros muchos ministerios parroquiales (reconociendo nuevamente las realidades de vidas ocupadas)? Podemos utilizar su ayuda. Ministerios y actividades tales como Ministro Extraordinario de la Sagrada Comunión, Lector, Catequista de Educación Religiosa/Catequista Asistente, Comité Ambiental (limpieza y decoración de iglesias), Despensa de Alimentos, coros en inglés y español, Programas Juveniles (Deportes del Gremio de Padres, Escultismo), etc., todos han perdido voluntarios en los últimos años. Los compromisos de tiempo son variables y tienen en cuenta los horarios personales. Comuníquese con la Oficina Parroquial para que podamos brindarle información adicional.

Con respecto al tesoro: durante la mayor parte de los meses y años de la pandemia, las colectas semanales de nuestra parroquia se redujeron solo moderadamente a pesar de la disminución en la asistencia a misa. Las donaciones en línea a través de Faith Direct y el uso generoso de los sobres “Catch Up” fueron de gran ayuda. Desafortunadamente, esta situación está cambiando. En los últimos meses hemos estado experimentando disminuciones más grandes y persistentes en nuestras colectas de misas del primer y segundo fin de semana, cuyos resultados se informan en el boletín semanal. Desde septiembre de 2021 hasta noviembre de 2022, la cantidad de feligreses que usan Faith Direct disminuyó significativamente de 112 a 97. Como bien saben quienes están familiarizados con las finanzas parroquiales, las colectas semanales son nuestras principales fuentes de financiamiento para nuestros gastos operativos (salarios y beneficios, servicios públicos). , reparaciones ordinarias y mantenimiento, etc.). Varios de los donantes más grandes que nos ayudaron tan fielmente durante años ya no están con nosotros. Entendemos lo difíciles que pueden ser las circunstancias individuales; pero, si puede, intente alcanzar nuestra meta de donación semanal sugerida de $25 ($20 para la primera colección, $5 para la segunda). El uso de Faith Direct o Sobres Parroquiales sería una gran ventaja.

Gracias por su fe, su generosidad y su apoyo a HNJ Parish ya mí. Ayude a mantener nuestra maravillosa parroquia como un centro católico vibrante para compartir las Buenas Nuevas del Evangelio de Jesucristo.

Atentamente,

Fr. Larry Ryan
