In addition to the Intention for the day, our 9 a.m. Mass on Saturday, November 4 will be in memory of those who passed away since November 1, 2022.

## A NOTE FROM FR. LARRY

We were busily preparing this past week for Auxiliary Bishop (and former Holy Name Administrator) James Massa visiting Holy Name Parish on Friday afternoon, October 27, to administer the Sacrament of Confirmation. The names of the Confirmandi (i.e., the young people receiving Confirmation) will be listed in a future bulletin.

Pope Francis asked that Friday, October 27 be a special Day of Prayer for Peace. He urged the faithful to take “only one side” in the current conflict — the side “of peace, prayer, and total dedication.” “I call on all believers to take only one side in this conflict — that of peace, not with words but with prayer,” Pope Francis said. “In a spirit of penance, we’ll have an hour of prayer to implore God for peace in our days, peace in the world.” At Holy Name we had special prayers for peace at our 9 a.m. Mass, followed by the recitation of the Rosary for peace. Please continue to pray for peace, especially in Ukraine and the Middle East.

As noted elsewhere in this bulletin, we will close out October (Respect Life Month) with a Holy Hour for Life at 1:15 p.m. on Sunday,

October 29. During the first week of November (the Month of All Souls), we will observe All Saints Day (a Holy Day of Obligation with mandatory attendance at Mass) on Wednesday, November 1; All Souls Day on Thursday, November 2; and we will have a Memorial Mass at 9 a.m. on Saturday, November 4, for all those who passed away during the past year. Please remember to satisfy your Mass obligation on All Saints Day, and please try to attend the other special Masses and liturgies during the next several days.

I'll close with a brief remembrance of Sister Patricia Carroll, whose Funeral Mass I had the privilege of celebrating this past Monday. Patricia Carroll was a Sister of St. Joseph for 72 years. Like so many of her fellow Josephites, she had a long career as a teacher. She especially distinguished herself as a teacher of the deaf, and later as a teacher (at the University level) of students preparing to be teachers of the deaf. After she “retired”, she volunteered for many years as a Sacristan here at Holy Name. She was an example to us all as a person of great intellect, diligence, humor and faith. May she rest in peace. †

## Looking More Closely at the Word

### NO SUBSTITUTE FOR LOVE

by Tracy Earl Welliver

I read an interesting article about how tolerance has become a substitute for love. As Christians we often talk about tolerance toward others when truly the call of Jesus Christ is to love others, not simply tolerate them. The truth is tolerance is a lot easier than love.

In tolerance, we are asked to give nothing away. It costs us nothing to simply allow people to be who they are, where they are, and stay in the state in which they find themselves. Love requires us to step outside of our comfort zone and to offer a part of ourselves to others. This

makes us vulnerable and open to possible pain and discomfort. Those whom we seek to love could take advantage of us. It is easy to see why tolerance seems a bit more popular these days.

Jesus could have tolerated the religious hypocrites of his day. He could have tolerated the Romans who oppressed the Jews. He could have simply tolerated the tax collectors, prostitutes, and outcasts of his day. Instead, he loved them. He made himself vulnerable and open to pain. When we look at the cross we see what can be the true price for love. It is easy to see why a policy of tolerance looks more desirable to many.
